

The QuatroSpa

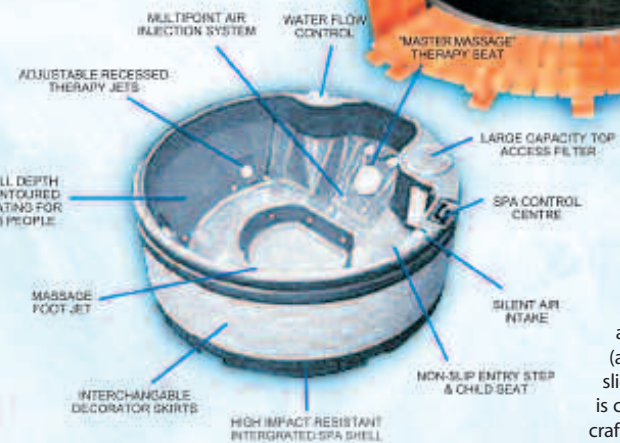

The First Truly Portable, Economical
4 - 5 Person Spa
 With Full Depth Contoured Seating,
 Relining Therapy Seat, Adjustable Rotating Jets
 And Attractive Crafted Timber Surrounds

The latest in portable spa technology

COMING SOON
 THIS ECONOMICAL 4 - 5 PERSON SPA

Whether for relaxation therapy or just good fun, the QuatroSpa is an economical and simple to use, portable spa, with seating for 4 - 5 people and an attractive low maintenance decorator surround.

The simple "QuatroSpa" style includes durable and weather resistant marine vinyl decorator surrounds and incorporates a special reclining therapy seat and large entry step for easy access. Weighing only 90kg (approx), it can be rolled, lifted or slid into just about any space, and is complimented by a selection of crafted timber accessories.

The QuatroSpa has been carefully contoured to provide smooth, full depth seating and a generous footwell, for the most natural resting position. Various spa system options combine the latest high volume, adjustable rotating spa jets, while a special reclining therapy seat will provide a unique massage for even the tallest people. It is durable and economical due to its insulated construction and available in a choice of colours and crafted timber accessories.

Relaxing, Revitalising, Rewarding. RotoSpa.
